Accessibility & Interpreter Services

Lakes Counseling Center is committed to providing accessible, inclusive, and equitable care to all individuals.

Free interpreter services are available for individuals who are deaf, deaf and blind, hard of hearing, or who have limited English proficiency. This includes spoken language interpreters and American Sign Language (ASL) interpreters when needed to access services.

If you need an interpreter or other accommodations because of a disability, please contact our office as soon as possible so arrangements can be made prior to your appointment. Interpreter services are provided at no cost to clients.

Lakes Counseling Center complies with applicable federal civil rights laws, the Americans with Disabilities Act (ADA), Section 1557 of the Affordable Care Act, and Minnesota Health Care Programs (MHCP) requirements. We do not discriminate on the basis of race, color, national origin, age, disability, sex, religion, sexual orientation, gender identity, or ability to communicate in English.

Auxiliary aids and services are available upon request to ensure effective communication and equal access to treatment services.
